**Outcome**  
Master degree-program requirements, including theories, concepts, principles, and practice, and develop a coherent understanding of the subject matter through synthesis across courses and experiences.

** Marketable Skills**  
- Ability to summarize arguments and data
- Ability to synthesize ideas from different sources
- Ability to organize complex materials into coherent form

**Outcome**  
Apply subject matter knowledge in a range of contexts to solve problems and make decisions.

** Marketable Skills**  
- Ability to construct reasoned arguments with evidence
- Skill in evaluating a range of textual materials
- Ability to organize large amounts of information in preparation for written and oral presentations

**Outcome**  
Use a variety of sources and evaluate multiple points of view to analyze and integrate information and to conduct critical, reasoned arguments.

** Marketable Skills**  
- Ability to construct reasoned arguments with evidence
- Skill in evaluating a range of textual materials
- Ability to organize large amounts of information in preparation for written and oral presentations

**Outcome**  
Communicate effectively.

** Marketable Skills**  
- Ability to write clear, error-free prose
- Ability to present complex ideas orally to a range of audiences
- Ability to shape written materials for diverse audiences

**Outcome**  
Use appropriate technologies to communicate, collaborate, conduct research, and solve problems.

** Marketable Skills**  
- Ability to use online platforms for collaborating with others
- Ability to organize digital materials to teach others
- Ability to use language and visual images to demonstrate how best to solve problems

**Outcome**  
Develop clear research plans and conduct valid, data-supported, theoretically consistent, and institutionally appropriate research.

** Marketable Skills**  
- Skill in project managements
- Ability to design and implement large scale projects
- Ability to critically evaluate research plans and offer feedback on improving them
