Visit the Career Center's online recruiting system to find job postings, to submit your resume and schedule interviews and to find contact information for many of the employers that recruit at Texas A&M.

careershift helps you explore job listings, internships, AND industry contacts. Helps you understand job options and employer needs.

FIND PEOPLE

AggieNetwork | aggienetwork.com

Helps you Find an Aggie from over 500,000 Former Students. Set up your free @aggienetwork email.

LinkedIn | linkedin.com

Connecting on LinkedIn is a fast and effective tool to understand industries, organizations and experts in groups with shared interests to build your network. The Aggie Network group helps connect you with over 57,000 Aggies!

Go to *My Network > Find Alumni* to search through over 300,000 Aggies for contacts by company, location, positions of interest and field of study.

We can help you find answers to the key questions employers have when considering a hire:

- Can you describe what it is you'd like to do?
- Have you researched our organization?
- How committed are you to this job?
- How do you fit our needs?
- Do you understand our organizational culture?
- Access the digital version of our career guide - tx.ag/TAMUCareerGuide
