LIFETIME ADVISING, LIFETIME CONNECTIONS.

Accurate, personal advising is available to all Aggies regardless of when they graduated. Current students participate in learning and networking activities though the PreLaw Society and with Aggie law students and lawyers. They also craft their personal paths to law school with skilled and knowledgeable advisors, exploring academic, experiential and growth opportunities. Aggie clubs at law schools continue to meld the connections with others on the road to becoming an Aggie Lawyer and, ultimately, a member of the Texas Aggie Bar Association.
